Becoming Beloved Community Monthly Gathering

Thursday, October 3, 2024

12:00 noon

Online via Zoom

We warmly invite all members of the
Episcopal Diocese of Mississippi to

engage in our upcoming Becoming Beloved Community Zoom Monthly Gathering on Thursday, October 3, 2024, at 12:00 noon to explore the powerful narrative shared by Chimamanda Ngozi Adichie in her renowned TED Talk, "The Danger of a Single Story."

In this 18:46 minute presentation, Adichie eloquently discusses how the labels and narratives we hold can shape our perceptions of ourselves and others. As we watch and reflect together, we will address thought-provoking questions that encourage introspection and foster understanding within our community. Consider the following as we engage in this meaningful dialogue:

- What is the single story people have about you?
- How does it feel to be boxed into a single story?
- Name a single story you have boxed others into?
- Why is a single story dangerous?
